They do not seek to exhaust the inexpressibly rich and beautiful theme which they touch so occasionally and briefly. Rather they are pious meditations on certain of the prerogatives and glories of the Mother of God, first published from month to month in The Queens Work and now gathered together in more permanent form because they have proved helpful to devout clients of Our Lady, who wish to have them at hand for occasional reading. The article on the prophecies appeared in the Ave Maria. When one considers that the Blessed Mother is, after her divine Son, the most lovely object of human contemplation, it is rather strange that more has not been written in English in her praise.
