AUTHORHOUSE, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is based on the theory that the black Muslim movement was created from the knowledge of the Masonic order. In the early decades of the 20th century, noble drew ali established a political and religious organization known today as the Moorish Science Temple of America. It was this organization that exposed black to something other than the normal Christian influences of that day. Ali a high degree freemason, incorporated various Masonic teachings from an auxiliary group. Known as the AEAONMS ancient Egyptian Arabic order of noble of the mystic shrine A pseudo Islamic/Arabic oriental organization that served as a wake up call to a lost knowledge. A knowledge that was taken away from Africans during the slave trades. The theory behind this book is that the majority of the slaves that were taken from the west coast of Africa were practicing Muslims, and these Muslims were forced to convert to Christianity under the strong oppression of slavery. At one time Afro-Americans were the biggest minority in the American society. About 90 of the today s population of black s are descendants of slaves that were brought to America for working on plantations since the 16th century. At the beginning of the 19th century most of the so-called Negroes lived in the plantation areas of the Southem States. After the Civil War and the abolition of slavery it wasn t until the early 1920 s and 30 s that black s were beginning to experiment with other faiths. Of all the faiths Islam became the fastest growing religion and the most popular. This book by far is in no way a research into black history, instead it covers a more deeper aspect...
