

Modern Britain since 1979: A Reader (Hardback)

Filesize: 1.7 MB

Reviews

The ebook is fantastic and great. I really could comprehend every thing out of this published e publication. You can expect to like the way the blogger write this publication.

(Precious Farrell)

MODERN BRITAIN SINCE 1979: A READER (HARDBACK)

I.B.Tauris Co Ltd, United Kingdom, 2003. Hardback. Book Condition: New. 241 x 161 mm. Language: English . Brand New Book. Readers are essential tools for students, where vital extracts from key source materials, carefully chosen by historians in daily contact with student needs and course requirements, are pared to essentials, explained and placed into context. The introductions and explanatory materials are vital in giving the latest and state of the art historiography, and providing ideas and summaries - so important for essay writing and examinations. Readers are therefore in wide use in universities in the both Britain and North America as combining the old strengths of individual detailed study guided by specialists with access to original materials, often scarce in contemporary colleges. Keith Laybourn and Christine Collette, established authors with extensive experience of teaching and modern student needs, have put together a carefully selected collection of materials culled from primary and secondary sources and covering the major themes of British history from Margaret Thatcher to Tony Blair.
