Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CREATED IN THE IMAGE OF GOD: A FOUNDATION COURSE IN THE KABBALAH

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Created in the Image of God: A Foundation Course in the Kabbalah, Esther Ben-Toviya, This book provides a foundational course in the Kabbalah which speaks to the universal truths of the human experience, and is relevant to people of all backgrounds. It is a life changing, interactive course using the ancient tenets of the Kabbalah to pass on to you the experience of your unique place in the Eternal Worlds and to open your pathways of conscious conversation with the Higher Dimensions for everyday living. In this experiential journey, you will gain the most precious of all gifts - the knowledge of your own Infinite Value. In the ancient tradition, the Kabbalah is "caught, not taught"! It is a transmission for opening the consciousness, not just fact finding and knowledge gathering. For thousands of years the teacher passed the Kabbalah down to the student as indicated by the name Kabbalah, which means the "receiving". I have endeavored to emit this opening transmission through the exercises and practices in the Journal Pages of "Created In The Image Of God" so that the reader may discover that the Kabbalah flows through them, not to them. You will explore your Authentic Soul, (your Eternal Being in the Higher Dimensions), and your Incarnate Self, (your Physical Being, who you are in this lifetime) through powerful meditative journeys. You will gain insight as to your purpose in this lifetime and you will learn how to use the wisdom of your Authentic Soul to guide you and to end the civil war within you when making decisions in life. You will gain harmony and balance in your life, and joy of being You! After completing "Created In The Image Of God", you will have created a matrix...
