Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Floored by the discovery of my husband s 6 year affair with my friend and neighbour I find myself alone again. As a single older woman, I don t know which way to turn but I find that all is not lost. This is a brutally honest, hilarious and sometimes poignant account of my last three years as a single older woman and how I found solace in the arms of the younger man. Trying to juggle my personal, family and working life is like a military operation and being revved up on HRT and having found my libido hiding under the bed I struggle to find time to satisfy my desires. I decide to keep a diary of each and every encounter to help me cope. As Internet dating becomes part of my everyday life I discover that keeping control of my emotions and my sex drive is harder than I thought.and then I fall in love with someone young enough to be my son.
