

Metric Pattern Cutting for Menswear 5E (Hardback)

By Winifred Aldrich

John Wiley and Sons Ltd, United Kingdom, 2011. Hardback. Condition: New. 5th ed.. Language: English . Brand New Book. Since the first edition was published in 1980, Metric Pattern Cutting for Menswear has become established as the standard work on this subject and has proved invaluable as both a textbook for students and a reference source for the practising designer. In this fifth edition, the chapter on computer aided design now has full colour illustrations and reflects the growing importance of CAD to the industry and as a part of fashion and design courses. The rest of the book has been updated where necessary: in particular, new blocks for tailored shirts, new details on how to adapt men s blocks for women s wear, and a revision of sizing and labelling information. Colour is now used to differentiate the main groups of patterns and with its tried and tested layout with clear text and diagrams, Metric Pattern Cutting for Menswear is an essential purchase for students of fashion and design.

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, alter the way in my opinion.
