Walter Foster Jr., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Now even the youngest artists-in-training can learn to draw step by step with the exciting I Can Draw series. With these approachable, engaging instructions, children ages four years and older will discover how easy it is to draw a range of favorite animals and other subjects. Planes, Trains Moving Machines teaches young artists how to draw a range of aircraft, land vehicles, and high-powered machines, including a helicopter, jet plane, fire engine, locomotive, and more. Planes, Trains Moving Machines opens by introducing young artists to a small selection of essential drawing tools and materials before moving on to a variety of easy-to-follow step-by-step drawing lessons. Packaged in a softcover binding with 48 pages of colorful artwork, each drawing lesson is specially formatted for a young audience. Planes, Trains Moving Machines teaches inspiring artists how to draw almost any vehicle or machine by starting with a basic shape, such as an oval, a circle, or a triangle, and following along as each step-by-step instruction guides the artist to a completed color masterpiece. With the I Can Draw series, and Planes, Trains Moving Machines, children will love drawing their way through hours of artistic adventure.
