Master Books, United States, 2000. Spiral bound. Condition: New. Language: English . Brand New Book. A creation devotional for children ages 6-10, which shows detailed, pen and ink illustrations of animals -- mammals, insects, birds -- paired with a description of each, then an application for the youthful reader. In exploring God s awesome nature, it is helpful for children to understand God s design for them. For example, just as the monarch butterfly emerges from a cocoon to soar to heights above the clouds, so too can we all rest in the knowledge that God has made each of us special, and He has great love and a plan for us.
