It is easy to get caught up in today s new Social Media. even when you don t want to. From Facebook to Twitter, from emails to text messages, everyone is doing it, and they have your number. Sean Dylan receives a strange text message from his best friend, CSIS agent Stan Bennett who was on a surveillance mission when he was caught up in a massive earthquake. Dylan visits the site of the disaster in an attempt to locate Bennett and becomes involved with RYAN s NETWORK, a team of young computer wizards who have decoded classified text messages revealing a diabolical plot to assassinate a high profile political leader and the use of a nuclear weapon against a foreign country. Dylan soon learns that in the modern world of Social Media, sometimes you are not sure who is listening, or who you are talking to . even when you are face to face with them. Sean Dylan brings his former Special Forces partner Ozzy Bauer into the mire in a chase that leads them from Miami to Chicago and...
