Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

AE-WWII Occult Expansion: Soldiers of the Shadow War is the follow up book to the popular miniature wargame, AE-WWII. This book presents the various occult forces taking part in World War II, including detailed factions for the American, German and British military as well as rules for the Russian Liberation Army and their occult leaders - German allies fighting against Stalin and the Red Army. Also included are new scenarios, new hero types, new units for the existing forces found in the Core Rulebook and much more. Everything you need to add the occult to your AE-WWII games can be found in this expansion. By 1946 nearly every side of the conflict that has consumed the world has turned to all manner of wonder weapons in order to achieve victory. From the technological marvels conceived by scientific minds across the world to advances in biological and chemical warfare, the face of war has changed drastically in a few short years. As each side tries desperately to discover the means to end this conflict and prove victorious, the eyes of the world have turned towards the mysterious, the unknown, the arcane, the occult. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
