Nixon's visit to China 40 years ago was a great achievement and received universal acclaim. The latest revelations about Watergate are not the only problems with the accepted account of Nixon and Watergate. When the idea that there was wrongdoing in the Nixon White House became the accepted truth; only the foolhardy dared to question its premise. Why were H Hunt's details in the address books of TWO of the four Cubans? ? There was a coup attempt in China to prevent the rapprochement. Could the same have happened in the US? ? What vital information was passed by the grand jury member? ? What has Richard Dawkin's memes got to do with Watergate? ? Would Nixon order the Watergate raid when he was 26 points ahead of McGovern? Nixon was not exactly stupid. Was Watergate a Set-up or a Cock-up? This book offers an alternate interpretation of the events.
