Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Average is for the birds. And Jane Jones is average in every way. With sixty-seven Jane Joneses on Facebook alone, it's easy to disappear in Manhattan. So when the universe spins its web of chaos, Jane refuses to interfere. Saving humans is somebody else's job. After all, as a peacock shifter, she's just here for the buffet. When the local wanna-be-a-hero-priest corners Jane in Central Park to warn her that she's an assassin's target, she's convinced he's lost his mind. But it soon becomes clear that a shadow-villain is out to kill her. Plain Jane has a price on her head. Her only hope for survival is joining the priest's mysterious band of misfits. When those plans fail, Jane does the most logical thing: she captures the would-be hitman and drags him to The Hotel for the weekend. In a fancy room with six-hundred-thread count sheets and complimentary champagne, can Jane turn an assassin into an ally? A Hotel Paranormal story. The Hotel Paranormal is THE place for supernatural beings looking to get away from it all. Beings like werewolves, vampires, elves, sprites, djinn and more check in from all over the world for business and for pleasure -- and sometimes for both.
