Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Glory Rides the Range A girl and a horse - you d never have thought they could bear so many points of resemblance. But if you could have seen Gloriana Frazer and her bay mount streaking the trail this hot Arizona afternoon, you d have begun to notice. Both were rangy in build, yet taut of muscle; both young, as youth compares in horse and human; both trained to the limit of capability and endurance. Even stronger in tone than the mane backward-flung by the wind was the copper braid, thick as a puncher s wrist, which coroneted the head beneath the wide-brimmed felt hat. Alike were the two pairs of eyes, tawny as topaz, with darker stripes around the irides. Long, brown lashes, the flash of ivory teeth - yes, even certain freckles upon both noses carried out the similitude. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
