Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This devotional Bible study book on fear resulted from a series of Mt. Everest-type trials in my life. I finally realized one day that I was addicted to the stronghold of fear. These trials brought me straight to God s Word. After I had struggled enough and had searched and searched the Scriptures for everything that God had to say about fear, I started writing and couldn t stop. A passion then burned within me to come alongside other women in order to encourage them in handling their fears. I don t want any woman to ever feel like she is all alone or that nobody cares how much she is feeling afraid in the midst of a trial, because I have been there. I have done that. May my prayer from Psalm 119:92 become yours after you read this book: If your law had not been my delight, I would have perished in my affliction. Teach me Your Word during this season of my life like I have never known it before and make this verse my testimony when I emerge from this place.
