

I Like to Learn Opposites: Amazing Bugs

By Alex A. Luch

WS Publishing, United States, 2011. Board book. Condition: New. Language: English . Brand New Book. The US Census Bureau estimates that over 8 million children enroll in nursery school or kindergarten every year. The educational success of these children depends largely on their knowledge of the alphabet, numbers, colors, and opposites. The I Like to Learn Opposites: Amazing Bugs teaches children these fundamental skills in a fun, playful, yet very effective way. The whimsically illustrated board book will help children learn their opposites with rich and colorful depictions of bugs. With beautiful hand-drawn illustrations, it s a fun and exciting way of learning opposites that kids will never tire of.
