Gratitude Journals make a GREAT GIFT Use this delightful book to thoughtfully record the things you are grateful for each day and it will help you to be a happier person. Studies show this practice is good for adults and children. Writing a gratitude journal causes you to focus on the positive and that is GOOD! Melody Beady wisely said, Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity, it can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and creates a vision for tomorrow. So start today to recognize the positive in your life and you will be on the Road to Happiness!
