This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2013 in the subject Politics - International Politics - Topic: Globalization, Political Economics, printed single-sided, grade: 2,0, Christian-Albrechts-University of Kiel, language: English, comment: There are few researches which are directly devoted to the problem of implementing reforms during the economic crisis. The given term paper contains the research about the reasons of success and failure of implementing economic reforms by some states of the Euro zone, especially in the times of crises. The appropriate theoretical approaches are introduced as well as empirical examples of Italy in 1990s and Ireland in 2008 2010 are analyzed. This all serves the base for the revealing of the reasons for success and failure of economic reforms by some states of the Euro zone. , abstract: Despite of the fact that the market economy has demonstrated its superiority before the others types of economies it is still not protected from crises. Economic crises are usually connected with the end of business cycles but they can also take place by the negative state of economy or mistakes of..
