TRADOC Pamphlet 525-3-6, The U.S. Army Functional Concept for Movement and Maneuver AFC-MM Feb 2017 The U.S. Army is the Nation s principal land force organized, trained, and equipped for prompt and sustained combat on land. Today s adversaries have studied how the U.S. Joint Force prefers to operate and adapted to develop capabilities that contest our operations on land, at sea, in the air, in space and cyberspace, as well as the electro magnetic spectrum, information environment, and human perception. Defeating future enemies that possess advanced capabilities calls for land forces operating as integrated joint teams that conduct simultaneous and sequential operations across multiple domains. Future Army forces will be prepared to fight and win across all contested spaces to create temporary windows of superiority across multiple domains that enable Joint Force freedom of action to seize, retain, and exploit the initiative to defeat enemies. This requires flexible and resilient ground formations that project combat power from land into other domains to enable Joint Force freedom of action, while seizing positions of relative advantage and controlling key terrain to consolidate gains....

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.

-- Marge Jacobson MD

It in a single of my personal favorite ebook. It really is filled with wisdom and knowledge I discovered this book from my dad and i recommended this book to discover.
