MUSHROOMS, MYTH AND MITHRAS: THE DRUG CULT THAT CIVILIZED EUROPE (PAPERBACK)

DOWNLOAD

City Lights Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. This illustrated book traces the history of an unlikely force in the shaping of Western civilization: the use of psychedelic mushrooms, namely by a secret society called the cult of Mithras. Nero was the first emperor to be initiated by the group s magical dinners, and most of his successors embraced the ritual as a source of spiritual transcendence. The cult was officially banned after the Conversion, but aspects of their rituals were assimilated or co-opted by Christianity, and the brotherhoods persist today as secret societies such as the Freemasons. This is a fascinating exploration of a powerful force kept behind the scenes for thousands of years.
