Thomasson-Grant Publishers, United States, 1994. Hardback. Condition: New. Language: English . Brand New Book. A visually stunning fictional account of a young nineteenth-century Sioux warrior s quest for knowledge that takes him from the plains of his childhood to a far-off boarding school where he learns the ways of the white world--and the value of his own traditions. A hand-calligraphed tribute to the narrative pictographs recorded by Plains artists in the ruled ledgerbooks they acquired in trade, the weaving of Cvijanovic s richly detailed original illustrations in the ledger style into a simply written story inspired by actual events holds appeal for young readers and those who wish to learn more about Native American art and history.
