

## Abolitionista Volume 2: Jada and the Urban Slave Rebellion (Paperback)

By Thomas Estler

Moving Finger Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Eden s best friend disappears, and all the clues lead to the dark, underground world of modern-day slavery. Will Eden find her friend? Will she be caught in the same trap? Are the powers of true friendship enough to save them both from the man who wants to enslave them? This Nancy Drew-styled crime mystery tells one of the most common humantrafficking stories in the U.S.: a girl runs away from home. Delilah flees a creepy home environment only to be rescued by a trafficker with a plan to enslave her. Readers learn 1) how to recognize a recruitment conversation, 2) how to deal powerfully with a predator, and 3) who they can go to for help if they get into trouble.

### Reviews

*This book is fantastic. This is certainly for all those who state there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
