Pharmaceutical Press, United Kingdom, 2020. Paperback. Condition: New. Language: English . Brand New Book. Pharmacy Registration Assessment Questions 2 follows on from the previous, highly popular Pharmacy Registration Assessment Question. It features more than 400, entirely new, closed book and calculation questions. It can be used in conjunction with the previous volume or on its own. All the questions are in line with current GPhC guidance on the preregistration exam. This invaluable tool will not only help you familiarise yourself with the current style of questions, but will also enable you to revise ahead of your exams. Questions are based on BNF74 and BNF for Children 2017-2018, alongside the most current treatment guidelines available at the time of writing the book. This book also includes questions featuring prescriptions, patient information and pictorial representation of conditions, replicating the type of questions you may encounter in the real exam. This revision aid gives you the opportunity to practice a variety of question styles ahead of the assessment including: single best answer questions extended matching questions calculations This volume is written by a team of experienced authors who all work with pre-reg pharmacists every day and includes questions that are practical and will truly challenge you. In essence, this book is your handy guide to prepare for your exams. Nadia Bukhari is Senior Teaching Fellow in Pharmacy Practice Pre-Registration Co-ordinator at the UCL School of Pharmacy. She is also the chairwoman for the Royal Pharmaceutical Society Pre-Registration conferences.
