FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Rfd Letter to Radio Farm Directors From Radio and Television Service: January 1958 When the British Broadcasting Corporation Launched its weekly network farm show last fall, producer Hilary Phillips did us the courtesy of sending over a kinescope of the second telecast. We ve taken a couple of looks at it, have shown it to a few interested people, including some agricultural folks from the British Embassy, and others around the Department. The first thing that strikes the person familiar with American TV is the difference in pace. We would say it s casual, almost leisurely. As our Jules Renaud says, It s a refreshing change from the split second timing of shows over here. Of course, it does now and then get our British friends into awkward cueing and timing situations but they don t seem to mind and I m sure we don t either.
