Milkweed Editions. Paperback. Book Condition: new. BRAND NEW, The Silenced: A Novel, James DeVita, Marena struggles to remember the past: a time before the Zero Tolerance Party murdered her mother and put her father under house arrest. A time before they installed listening devices in every home and outlawed writing. A time when she was free. But it feels like the only thing the new, repressive government wants is to have Marena forget. When the Minister of Education, Helmsley Greengritch, cracks down on Marena's youth training facility, she knows she has to fight back. In the spirit of her revolutionary mother, she forms her own resistance group--the White Rose. With nothing but words and a hunger for freedom, Marena fights for what she knows is right, only to discover the ZT Party's horrifying plans for the country. A thrilling story of resistance and the power of art, The Silenced draws upon the true story of Sophie Scholl and the White Rose group's resistance to the Nazi party.
