CREATING MOBILE APPS WITH APPCELERATOR TITANIUM (PAPERBACK)

Packt Publishing Limited, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Creating Mobile Apps with Appcelerator Titanium provides a hands-on approach and working examples on creating apps and games as well as embedding them onto a social networking website. Developers can then move on from there to develop their own applications based on the ones they have developed throughout the course of this book. Creating Mobile Apps with Appcelerator Titanium is for developers who have experience with modern languages and development environments. Also, if you are familiar with the concepts of Object-oriented Programming (OOP), reusable components, AJAX closures, and so on, this book will help you leverage that knowledge in mobile development. This book will also cater to Titanium users who wish to know more about Titanium's broad range of capabilities and will help you to expand Titanium's basic set of features by using extension modules.
