

Modern Rifle Shooting: From the American Standpoint (Classic Reprint) (Paperback)

By Walter Guy Hudson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Modern Rifle Shooting: From the American Standpoint It is not without some misgiving that I venture on this, my first attempt to write a book on rifle shooting. Indeed, the idea would probably never have occurred to me had I not been asked by many brother riflemen to put into writing the numerous small matters I have at various times investigated, both for their interest and my own. Undoubtedly, much will be found in these pages that is ancient history to more experienced shooters, but if I have succeeded in making clear the first principles of rifle shooting to the beginner, I shall be well satisfied. Perhaps the experienced rifeman may find a few helpful hints, too, in some of the original devices described, and in the chapter on the Rifeman Himself. I have also to acknowledge the generous help received in the way of suggestions from brother rifle men, and from reading various recent English works on the subject of rifle shooting - notably those of Tip pins and Freemantle. If the reflection of my study of...
