In these pages, his steadfastly idiosyncratic style really begins to click. An unconventional, beguiling, and endearing family tale. -Kirkus Reviews From Kindle bestselling writer and cartoonist Scott Semegran, Sammie and Budgie is a quirky, mystical tale of a self-doubting IT nerd and his young son, who possesses the gift of foresight. The boys special ability propels his family on a road trip to visit his ailing grandfather, a prickly man who left an indelible stamp on the father and son. The three are connected through more than genetics, their lives intertwined through dreams, imagination, and longing. Simon works as a network administrator for a state government agency, a consolation after a promising career as a novelist flounders. He finds himself a single parent of two small children following the mysterious death of his adulterous wife. From the ashes of his failed marriage emerges a tight-knit family of three: a creative, special needs son, a hyperactive, butt-kicking daughter, and the caring, sensitive father. But when his sons special ability reveals itself, Simon struggles to keep his little family together in the face of adversity and uncertainty. Sammie is a creative third-grader that draws adventures in his sketchbook with his imaginary friend, Budgie, a parakeet that protects him from the monsters inhabiting his dreams. Sammie is also a special needs child but is special in more ways than one. He can see the future. Sammie seemingly can predict events both mundane and catastrophic in equal measure. But when he envisions the suffering of his grandfather, the family embarks on a road trip to San Antonio with the nanny to visit the ailing patriarch. Sammie and Budgie is an illustrated novel brought to you...
