WAKE UP!: STOP SABOTAGING YOUR HAPPINESS AND YOUR SUCCESS (PAPERBACK)**DOWNLOAD**

Kaminn Media Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Humans feel lonely. They don't remember who they are, or what they live for. You are an eternal being, travelling along this and other universes, who in a moment makes a stop on this planet called Earth, with one unique purpose: to enjoy your terrestrial experience, while expanding Love and Joy. To help you create a life of happiness, well-being, and abundance, your Creating Parent endowed you with their Universal Principles, the Life Instructions Manual, with which we are all born, but so few can remember. What happened? Why are we not enjoying total happiness and abundance? Since you were a little baby, you were taught to focus your attention on the exterior, only on those things adults see with their limited vision. This is how you gradually forgot how to read your instruction manual; this is how you even forgot its existence inside of you. Oblivious to our interiority and having lost communication with our Self, we feel confused, lost, and aimless. We don't remember who we are nor the unique mission we promised to accomplish in this lifetime. Once we stop listening to the voice of our Self, we give our full attention to the voice of our ego. Confused by its pseudo-protecting messages, we take its hand and let it guide us through its own paths of fear, struggle, distress, guilt, and self-sabotage. Author Anne Astilleros, not having forgotten who she is and how to use her own instruction manual, helps us remember how to use ours. She reminds us that: - You are not alone. - You are light and darkness; you are not perfect, and you will never be, and it's okay! - You chose your Dad...
