Neuware - Seminar paper from the year 2014 in the subject Business economics - Business Management, Corporate Governance, grade: 1.4, Frankfurt School of Finance & Management, language: English, abstract: I would like to start this paper with a quote from the American president: '[Workplace flexibility] is an issue that affects the well-being of our families and the success of our businesses. It affects the strength of our economy -- whether we'll create the workplaces and jobs of the future we need to compete in today's global economy' (Obama, 2010, p.1). The World at Work report states that 'employers in advanced economies could face a shortage of 16 to 18 million college-educated workers in 2020. many nations can narrow the skill gap raising the labor force participation rate of college-educated women and keeping older high-skill workers [emphasis not in original] in the labor force' (Dobbs et al, 2012). One of the possible ways to handle this problem is to implement work place flexibility and telework opportunities for these two groups of employees. Commerzbank is the second largest bank...

Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
