Brand New Book ***** Print on Demand *****.Excerpt from The Pioneer Church of the State of New York Even a hasty glance through the pages of this little work convinces me that its author can claim much merit in this contribution to the Christian literature of our early Catholic missions in this part of the country. The Latin historian, Salust, tells us that he who records and transmits to posterity the noble deeds of ancestors, confers a benefit on the commonwealth, and in a measure deserves praise, no less than those who perform these noble deeds. He considers the writing of history the highest occupation that can occupy human energy and engage the efforts of the mind. And, indeed, history is a prime fact or in the enlightenment, refinement and cultivation of the human race.
