This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Thomas Nelson on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. On the brink of war with the Sioux, a young woman risks everything to expose the betrayal threatening the man she loves. Christmas is coming, and the air at Fort Laramie has turned cold, but relations with the Sioux have turned colder. As tensions between soldiers and natives approach a tipping point, Ben Croftner and Jessica DuBois prepare a trap for Rand Campbell. Bitter from rejection and backfired plans, Croftner has enlisted the help of Rand s new fiancée to keep Rand from ever returning to Sarah Montgomery, for whom his heart clearly still yearns. Sarah is simply trying to move on with her life at Fort Laramie, but doing so under the watchful eyes of both Campbell—the man whose love she craves—and Croftner—the man whose lies have cost her everything. Will Rand fall victim to the conspiracy and go through with his wedding? Or will he declare his love for Sarah and make good on the promises that brought her into the rugged western territories?.
