By Jj Semple

Life Force Books, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Often described as a clinical study of Kundalini, as told by Henry Miller, as lived by Holden Caulfield, Deciphering the Golden Flower One Secret at a Time is an interpretive companion piece to The Secret of the Golden Flower, an acknowledged masterpiece of Chinese alchemy that has challenged scholars for centuries. Not even Richard Wilhelm, the translator, or Carl Gustav Jung, the famous psychologist, who wrote the original commentary to The Secret of the Golden Flower, were able to plumb the depths of this method. Now, for the first time ever, a book dares to reveal the secrets of the world s most influential meditation method. The author, JJ Semple shares his many years of first-hand practice with the sacred book s meditation system. One-by-one, he reveals the techniques behind the book s secrets, providing clear instructions on how to use them. This book is an extraordinary statement about the inevitability of karma and the obstacles to self-realization.
