THE END: THE BEGINNING OF IT (PAPERBACK)

Createspace Independent Publishing Platform, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.All world beliefs-perhaps due to religious diversity-have failed to put an end to current human suffering and the slow destruction of our lovely planet. If we can now reach and inspect Planet Pluto, why not actively and jointly seek our REAL MAKER. At this very moment I don t know why I have this weird feeling that someone could have just removed his hat somewhere else, other than earth! Could this be the prophecy of the End of tribulations before Jesus comes again or the much anticipated world end prediction? Read and decide. Because if it is Jesus s second coming, or any other delightful end, that will do it, then we are currently very ill-prepared and flat footed. At our current global state,...
