Clovercroft Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The Identity Driven Life is a clear call to all those who identify with Christ to find their identity in Christ. I like to say it this way: Knowing Who You Are (Identity) Is Just As Important As Knowing Why You Are. (Purpose) Both are important to living a successful Christian life but one has to lead us to the other. I am afraid that many Christians may be hot on their purpose but cold as to why they are doing or not doing what they should. In this first book, you will discover life-giving truths from the New Testament that have the potential of leading you to the place where you can trade in your faulty, unreliable self-esteems for something eternally better and certainly more enduring. The divine knowledge and subsequent feeling that you are special, loved, worthy and significant must come from the right source and spring or we will, like our dark culture, grasp at things, experiences and achievements to try to fill the great eternal void within. This book on the subject of spiritual identity is presently a huge felt need of people all over the world just as purpose (The Purpose Driven Life) was the felt need of people over a decade ago.
