Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

Hyperion Books. Paperback / softback. Book Condition: new. BRAND NEW, Damn, It Feels Good to Be a Banker: And Other Baller Things You Only Get to Say If You Work on Wall Street, Leveraged Sell-Out, Ask any banker under 30 (and quite a few on the other side) to name the source of the quote above, and the recognition would be instantaneous: Leveraged Sell-Out! This popular blog, which receives 200,000 page-views a month, has set The Street abuzz with its no-holds-barred, decidedly un-PC skewering of the habits, rituals, and lifestyles of the young and overpaid. Covering everything from the basics of the industry (top: private equity/hedge funds; bottom: consultants) to the institutions themselves ("Funds under \$500 million are little more than glorified piggy banks") and even bankers' music ("John Mayer is the greatest guitarist EVER"), Damn, It Feels Good to Be a Banker is required reading for an entire generation of bankers as well as their beleaguered friends and family members who seek to understand the madness.
