Brand New Book ***** Print on Demand *****.Excerpt from *Sacrament Sunday and Bells of Kartdale* In these progressive times, the building of a church is an event of everyday occurrence; yet it is not without an interest, special and engrossing, to the community or congregation which has such an undertaking in hand. The old church edifice in which the author was reared in his youth is about to give place to a more spacious structure; and in presence of the event, he may possibly be excused for venturing to illustrate in verse one of the momentous life-lessons he once learned within the walls of the old building about to be superseded. In preparing for the press the souvenir booklet herewith submitted to the public, his task has been a labour of love; and this in itself may condone its several imperfections. The notes are perhaps not without omissions, but in themselves they will help to recall many of the stronger lights that used to shine in the congregation of our Kartdale forefathers.
