

The Body's Alphabet (Paperback)

By Ann Tweedy

Headmistress Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Home is the structure you build when nowhere else will have you, writes Ann Tweedy in this gutsy, no-nonsense collection of poems built on a precarious and often tender journey through homes no longer available to return to. The result is neither sadness nor nostalgia; it is hard, clean narrative of self-preservation and survival, fitted with unexpected joy. I feel such kinship with these poems, their testament to the strength and determination of women and men who struggle to build life anew, and to find home and happiness in a world of travail. What a blessed space this book is: a home for the wayward soul. - D. A. Powell, American Poet Ann Tweedy's first book is a brave and honest examination of liminality. In delicate lyrics she confesses to trespass, asking readers to question the boundaries between acts and identity, sexuality and family. The Body's Alphabet documents the poet's courage, living openly as a bisexual feminist. Although childhood logic taught her that home is the structure / you build when nowhere else will have you, these beautiful poems knit and...

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
