

## The Essential Principles for Making More Money: Retire Early, Retire Rich, Retire Happy (Paperback)

By Ronald a Valentino

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Riches and abundance are not always the result of luck or destiny (as some may say), but they can be created by anyone who has the real desire to do so. Believe it or not every one of us has the capacity to create not only extreme wealth, but pretty much anything we desire for our lives regardless of the circumstances in which we might find ourselves in. In that case, why don't I yet have what I want? you might ask. The reality is that most people don't really want wealth, they might consciously say that they do, but their subconscious minds have unwillingly been programmed to avoid it. Have you ever heard the phrase Money is the root of all evil by anyone in your family? Or have you ever heard anyone speak of wealth as something bad and associate someone who has wealth with some kind of illegal activity or greediness? You probably didn't think much of it at the moment it happened, but the truth is that actions like these unwillingly trigger your subconscious mind to...

### Reviews

*This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.*

-- **Prof. Mattie Beatty**

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

-- **Dr. Gabriella Hayes**
