Reviews

Great electronic book and useful one. Better then never, though i am quite late in start reading this one. You can expect to like the way the author compose this ebook.

(Matteo Johnson)

MONOGRAPH OF THE BRITISH APHIDES, VOL. 3 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Monograph of the British Aphides, Vol. 3 The illustrations of this and former volumes require a few words of comment. There are high authorities who may demur to the departure I have made from precedent as to the posing of my figures. It has been said that many fine plates of animals and plants have been rendered useless to science by the artistic rendering of a graceful attitude or an elegant curve - that the figure for science, again, should be representative or, to a certain extent, abstract. Biological illustrations certainly are not meant to please the eye alone. Yet no gain can be had by mere naked unclothed facts in drawing, and if all art is to be eliminated from science many will turn with disgust from that which by a better treatment would please. The natural pose of a bird or reptile can always be connected by an efficient artist with such scientific details as are capable of being rendered in the external form. Where the camera is employed this posing is inseparable from the representation of living insects; and after all, notwithstanding that the views are necessarily perspective, measurements may be made from them as reliably as from ordinary eye drawings. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
