This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

So if you land your dream job, you may find yourself so pleased and satisfied with your achievement that you think you're done. But, as Scot Herrick points out in *Ive Landed a Dream Job--Now What* today -- more than ever before -- you need to hit the ground running on day one of your new job. It will help you think through what you're...
