Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You re an introvert. You don t do loud, jazz-hands-y marketing activities, and you avoid networking like the plague. I know all about the ways your brain messes with your sense of self and your confidence because you re an introvert. The inner voices get all crazy and tell you all the stuff you should be doing to grow your business, only it feels terrible. Most of the extroverted business-building suggestions feel approximately as fun as poking your eyes out with spoons while getting run over by a dump truck. So you don t do them. Your decreasing confidence leads to declining interest in your business, which leads to decreasing profits. It becomes a vicious cycle that costs you thousands of dollars per year. More despair, fewer dollars, less interest in your business. Aaaaand repeat. We can stop that cycle with some simple changes that don t even involve leaving the house. As an introvert, your website has to do a TON of heavy lifting for your business. It has to get peeps to figure out what you do, fall in love with you, and then hand over their hard-earned money without once interacting with you personally. That s where *Introverts at Work* comes in. Together, we ll quickly and strategically revamp the words on your website to express more of who you are in business. We ll sell your stuff without hiding from the word sales or falling into drone/corporate/professional mode. But first, you ll have to do some digging. You ll have to face your own fears of being judged for being too or not enough. You ll have to teach people how to treat you -...
