Reviews

This ebook can be worthy of a go through, and a lot better than other. Better than never, though I am quite late in starting reading this one. It's been printed in an exceedingly easy way which is just soon after I finished reading this book where it basically modified me, affect the way I really believe.

Anness Publishing, United Kingdom, 2014. Paperback. Condition: New. Illustrated. Language: English . Brand New Book. This is an illustrated guide to varieties, cultivation and care, with step-by-step instructions and over 150 beautiful photographs. It features full photographic directory of over 40 varieties, including cluster-flowered roses, miniature roses, ground-cover roses, large-flowered roses and rugosa roses. For each variety, full botanical information is provided on history, growth, hue, height, spread and suitability. It offers step-by-step guidance on planting, propagation and pruning, and how to deal with common pests and diseases. It includes instructions on using roses for hedging and ground cover, and combining them with other plants. It is a highly accessible guide to some of the world's best-loved plants, celebrating their diversity and beauty. It offers everything you need to know at a glance in one handy and superbly illustrated practical guide. The rose is the quintessential flower of the summer, and apart from the beauty of the flowers, many modern varieties have the twin advantages of a long flowering season and disease resistance. With hues ranging from delicate pastels to glowing reds, yellows and oranges, the range has never been wider, encompassing roses for growing en masse or in conjunction with other plants, as hedges, ground cover or in containers. This beautiful book explains how to use modern roses to their best advantage, and features a directory of over 40 varieties. There are practical instructions for planting, propagating and pruning roses, ensuring a magnificent display in all types of garden.
