THE WAY OUT OF OBAMACARE

Encounter Books. Paperback. Condition: New. 56 pages. President Barack Obama has declared that his signature health reform law the Patient Protection and Affordable Care Act is here to stay. But his days in the White House are numbered. The American people can act on their longstanding opposition to Obamacare and demand that the next president advance a positive alternative. What will that alternative look like In this Broadside, Pacific Research Institute President and CEO Sally C. Pipes offers a preview. First, she chronicles Obamacares most recent near-death experience before the Supreme Court and presents two years worth of evidence that the law has failed. It has caused insurance premiums and deductibles to skyrocket. Patients are losing access to their doctors. And its crushing economic growth. Pipes then offers her replacement plan for Obamacare one that will provide affordable, accessible, quality health care for all Americans. The Way Out of Obamacare stands out as an actionable blueprint for healthcare reform this campaign season one that the next president can implement on Day One of his or her administration. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
