# A Teacher's Handbook of Death

By Maggie Jackson, Jim Colwell

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, A Teacher's Handbook of Death, Maggie Jackson, Jim Colwell, 'Some would argue that the teacher's job is to teach, and that hasn't changed. What has expanded is the teacher's role (and, often, by default, increasing responsibility) to meet students in the events we call life. This helpful resource addresses many themes, including: the physical processes which occur during and after death, reasons for illness, sudden death, or suicide, what actually happens to the dead body, what happens at funerals. There are strategies for speaking and listening, insights into the words and questions, and what is behind them, from children, and staying aware of their own needs and issues.' - Resources Hotline (The World Pastoral Centre) 'This is an interesting book that, if used creatively, can provide teachers with useful information about death either as general knowledge or for lesson preparation. It certainly contains a range of death-related information in a form that it would be hard to find elsewhere.' - International Journal of Children's Spirituality 'Impressively focused, but full of useful information. It adds to the literature on teaching about death in interesting ways, because it is so direct and clear...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
-- Wilbert Connelly

It in one of my personal favorite publication. Indeed, it is actually perform, still an amazing and interesting literature. Its been printed in an exceptionally easy way which is merely soon after i finished reading this book where really altered me, change the way i believe.
