Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Backwaters Press, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Liz Robbins s poems have what only the very best poems have: a sturdy toughness undergirding their tenderness. Though the body spins dervishly-almost blindly-for love and beauty, it must also accept the jolts of pain, of physical labor. As with the flowering pear trees in *On the Verge of Spring*, we are ever hopeful, / hopeless--with [the] smell of sweat suggestive/ of work and of fear. There s a refreshing honesty in these poems as well as a tremendous amount of skill with a sensuous musical language. Each poem is a delight, something to savor. -Nance Van Winckel.
