The activities are fun and interactive, and the age-appropriate discussion questions will have your small group of middle school guys engaged in a study that will help them break the code they've been taught to live by so they can become the men God intends for them to be. As they study the life of Jesus, they'll learn: what to do with their feelings (and that it's okay to have feelings) the truth about girls and sex why it's important to have other guys in their lives how to grow closer to their own dad Guide your middle school guys into manhood with the ultimate example of what it means to be a man.
