### ***Reviews***

*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever read. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).*

*(Giuseppe Mills)*

## FORGERY

DOWNLOAD

Grove Press Books, New York, New York, U.S.A., 2008. Soft Cover. Book Condition: New. In the summer of 1963, American Rupert Brigg travels to Greece to collect classical pieces for his Uncle Williams art collection. Ruperts first discovery, however, is that Athens is a shadowy place that hides a tangle of fork-tongued diplomacy and duplicitous women, a city of replicas and composites that, like a hall of mirrors, calls to question what is real and what is false. Journeying to the secluded island of Aspros, among a circle of artists and aristocrats each with their own secrets, Rupert finds the very pieces hes searching for, but can he escape the tragedy that ended his brief marriage? As beautiful as Ruperts discoveries are, beneath the surface lurk rumors of insurrection, fabrication, and even murder. Seductive, compelling, and sly, Forgery is a sophisticated book about the value and meaning of art, love and the corrosive power of grief.
