Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Minstrel Missions LLC. Paperback. Condition: New. 176 pages. Dimensions: 10.0in. x 7.0in. x 0.4in. Large Print Edition - Turning Barriers Into Bridges: The Inclusive Use of Information and Communication Technology for Churches in America, Britain, and Canada, written by Dr. John Jay Frank, explores why and how we can use our Information and Communication Technology (ICT) accessibly in church and for Christian outreach. It presents Biblical, legal, and cultural reasons for being an accessible church. This will help many more people see, hear, and understand the Gospel. We would not celebrate Christmas or Easter without mentioning the birth, death, and resurrection of Jesus Christ. Nor should we view the inclusive use of our computers and sound systems as if it were a list of laws, actions, or accessories. Controlling how we use our technology is central to the Gospel because the Word was made flesh. God became accessible to us. Including people who are disabled in church is central to the Gospel because Jesus Christ was crucified for our sins. God was disabled, then died, was buried, and rose again on the third day. Taming technology is a challenge. It took years to require seat belts in cars which today save many lives. This book offers inexpensive and easy to learn ways to use our ICT in church and for Christian outreach in inclusive ways that will help save souls for all eternity. Our technology may seem new, but these issues are not. Seventy-five years ago, in The Screwtape Letters, (2), C. S. Lewis revealed the Senior Tempters glee that One of our great allies at present is the Church itself. It greets those who enter with a liturgy they cannot understand and with religious lyrics in very small print. Fifty years ago we learned, the medium is the message. Marshall McLuhan also...
