Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Land That Calls Me Home investigates the disappearance of small-scale farms from rural America and casts a vision for the church to lead in their recovery. The book goes beyond naming the usual suspects of industrialization, agricultural policies, and corporations most often blamed or credited with orchestrating the mass exodus of farmers from rural America and brings to light two overlooked contributors to driving farmers away from the land: Theology and the Church. The author shows how a misinterpretation of scripture erroneously equates farming with God s curse on Adam for eating the forbidden fruit in the Garden of Eden. That fallacy lies at the root of the uncontested takeover of agriculture by corporate powers. The takeover centralized farming so that today a few giant corporations monopolize global farm markets and only one-percent of all Americans farm full time. Globalizing farming promised to free the masses from the curse of having to work the land to survive. The author debunks the portrayal of tilling the soil as a curse and interprets the curse rather as the separation of human beings from the soil. The more distance we create between ourselves and the soil, the less healthy the earth and our human bodies become. Therefore, restoring the viability of small-scale farming is a means of counteracting the curse on Adam and the soil. The church has been an accomplice to the theft of agriculture from the people and forcing their mass migration from rural farmsteads to suburbs and cities. The church saw the increase in productivity of those who were left to farm on a large scale as a positive development to be celebrated. The negative impact of farming with pesticides, herbicides,...
