

Bible Dreams: The Spiritual Quest: How the Dreams in the Bible Speak to Us Today (Revised 2nd Edition)

Filesize: 4.92 MB

Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

Rossel Books. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Revised Second Edition Dreams and vision in the Bible come at moments of transition and transformation, renewal and rededication. Though they are bound to biblical heroes and heroines, Bible dreams are also public: meant to serve the needs of readers, reflecting dreams all of us experience in our own spiritual quests. The author applies traditional interpretations alongside insights from anthropology, psychology, archaeology, dream research, philosophy, and science. Explore the mid-life crisis in Abrahams dreams; trials of separation, estrangement, job loss, death, divorce in Jacobs dreams; gifts of vision and prophecy in Josephs dreams; and more. In the Preface, former Associate Director of Ecumenical and Interreligious Relations at the U. S. Conference of Catholic Bishops, Eugene J. Fisher, writes: This is not grocery store spirituality or new age mysticism. This is the real stuff. Here, the Bible itself speaks to each of us to address our deeper concerns, anxieties, and hopes -- the deeper fears and visions that we admit to ourselves only in our dreams, when we sleep and lay ourselves open to the quiet whisperings of the Spirit of God who dwells in our hearts. The Talmud warns: A dream not interpreted is like a letter not read. If there is a lot of D-mail in your life going unanswered, this book may help you retrieve your messages. Reviews of the First Edition A linguistic and exegetical treasure trove It will open the eyes of its readers to the spiritual information, self-examinations and guidance that are inherent in dreams. For several aha moments, I recommend this book. -- Carole McDonnell, Curled Up With a Good Book Seymour Rossel now adds his name to that short list of authentic voices capable of speaking to the...
